

Mayville Athletic Booster Club

Our mission is to enrich the Mayville High School athletic sports program by helping to provide financial support for purchasing much needed supplies, equipment, and/or capital items beyond what the school district's athletic budget can provide.

2011 MEMBERSHIP DRIVE

The Mayville Athletic Booster Club membership drive for the 2011-2012 year is underway. We would like to ask for your support in helping us build our membership by making a donation that will benefit our high school athletic teams.

2011 GOLF OUTING

Each year the M.A.B.C. sponsors a golf outing held at the Mayville Golf Club. The day consists of 18 holes of golf, a buffet style meal and entertainment that evening. Funds are raised through various raffles held during the outing and by the contributions of cash and prizes obtained from local businesses during a sponsorship drive. This year the event raised over \$5,000. Thank you to our many businesses and individuals that helped make this a huge success.

FUNDRAISING

Money is raised through Booster Club memberships and other key fundraising activities such as the annual golf outing and Christmas Tree sale. With the funds raised from these events we have been able to make various contributions. In the last year the M.A.B.C. has contributed over \$5,000 to such things as football headsets, track record board, cross country finish line timer, support of the individual girls and boys at the state track meet, year end parties, co-sponsor of athletic trainer, and the annual Jack Omer scholarship.

The Jack Omer scholarship awards \$500.00 each to a male and female high school senior athlete going on to college. The 2011 Jack Omer scholarship recipients are Ashley Koch and Brock Hanke.
