

The Mayville Athletic Booster Club membership drive for the 2009-2010 year is underway. We would like to ask for your support in helping us build our membership by making a donation that will benefit our high school athletic teams.

Our mission is to enrich the Mayville High School athletic sports by helping to provide financial support for purchasing much needed supplies, equipment, and/or capital items beyond what the school district's athletic budget can provide.

Money is raised through Booster Club memberships and other key fundraising activities such as the annual golf outing and Christmas Tree sale. With the funds raised from these events we have been able to make various contributions. In the last year the M.A.B.C. has contributed over \$5,000 to such things as baseball mats, duffle bags for the high school teams, support of the individual girls and boys at the state track meet, year end parties, co-sponsor of athletic trainer, and the annual Jack Omer scholarship.

The Jack Omer scholarship awards \$500.00 each to a male and female high school senior athlete going on to college. The 2009 Jack Omer scholarship recipients are Kasey Schwartzmiller and Andy Krueger.

The 2008 Katie Award recipient is John Strook. This award is given to an individual in recognition of outstanding service to Mayville High School Athletic programs.

Please show Mayville High School athletics your support by becoming a member of the Mayville Athletic Booster Club. The membership form can be found on the back of this letter.

The annual golf outing registration form is also included in this mailing. Come join the fun on August 22nd.

For more information on the Mayville Athletic Booster Club visit us on the school website www.mayvilleschools.com
