

SCHOOL DISTRICT OF MAYVILLE

150

BOARD POWERS AND DUTIES

The Board of Education has two major functions - policymaking and evaluation. The Board's competence in performing these two functions will in large measure determine its effectiveness. The Board also has the important function of keeping the public informed of the purpose, value, conditions and needs of education in the community.

The Board shall represent and act for the State in providing the District with the kind of educational programs and facilities required or permitted by law. Board duties and powers include those expressly granted by statute, implied by statutes expressly granted, and those essential to the accomplishment of the purposes for which the School District of Mayville was created.

Duties of the Board shall include, but not be limited to, the following:

1. Interpreting the needs and desires of the community in educational matters to its professional staff.
2. Appointing the District Administrator and approving the appointment of his/her administrative staff.
3. Approving the annual operating budget for the District in accordance with state law and Board policy.
4. Approving preliminary and final plans and specifications for all new buildings and school site additions.
5. Determining the compensation and salary schedules for all employees of the District.
6. Evaluating school district programs and appraising the efficiency of the administrative staff.
7. Formulating and approving policies for the organization and improvement of public education in the District.
8. Implementing all actions required by law.
9. Considering specific actions recommended by the District Administrator.

10. Doing all things reasonable to promote the cause of education, including establishing, providing and improving school district programs, functions and activities for the benefit of students.
