

SCHOOL DISTRICT OF MAYVILLE

ADMINISTRATOR DEVELOPMENT OPPORTUNITIES

Although it is recognized that administrators of the Mayville Public Schools should make every effort to stay abreast of the latest thinking and methods in education, a specific requirement for inservice or professional credits during a given period of time may be required.

The District Administrator may attend appropriate professional meetings at the local and state level and the national convention(s) as per written contract.

Administrative staff members may attend appropriate professional meetings at the local and state level and their respective national conventions every other year with the necessary expenses paid by the District. Administrator requests to attend specific conferences, seminars, workshops and conventions shall be submitted to the Board through the District Administrator. The Board shall evaluate the requests and make decisions on an individual basis.

Principals and other administrators may be directed to attend conferences, workshops, seminars and other activities which will directly benefit the Mayville Public Schools. Expenses of tuition, room, board and other incidental expenses shall be paid by the District.
