

SCHOOL DISTRICT OF MAYVILLE

321.1

SCHEDULING STUDENT ACTIVITIES

By agreement with the community and the administration, Wednesday night has been designated as "Student Free Night" in the School District of Mayville. No local school events or activities shall be scheduled after 6:30 p.m. on this night, except as otherwise specifically provided.

Events scheduled between two or more schools shall not be held at Mayville on Wednesday night except as established by any affiliated conference. Students willing and free to participate in an activity on a given "Free Night" may be scheduled individually or in small groups by an advisor with the approval of the principal.

The Board further directs that all school meetings and practices on nights when school will be held the following day, must be completed by 9:30 p.m. The Principal is to work with the Athletic Director and the advisors of other school groups to provide for equality of schedule for practice times so that all groups have equal access to the period of time immediately following school.

The Board further directs that there be no formal or informal practices, rehearsals or meetings for students held on Sundays. This policy shall apply to all student activities except the following: (1) the graduation ceremony, (2) short or brief meetings of varsity football on Sunday, when the football game is played on Wednesday instead of Friday evening, and (3) special events approved by the principal prior to the event.
