

SCHOOL DISTRICT OF MAYVILLE

422

ADMISSION OF NONRESIDENT STUDENTS (Other Than Public School Open Enrollment Students)

Nonresident students, in addition to public school open enrollment students, shall be admitted to schools in the District on a tuition-free basis under the following conditions:

1. Any student who moved out of the District after July 1st and was a resident of the District on either the third Friday in September or the second Friday in January of the current school year, and was enrolled in the District for at least 20 school days during the current school year, shall be allowed to continue to attend school in the District for the current school year without payment of tuition.
2. Any senior student who attained senior status while a resident of the District but who no longer resides in the District shall be allowed to continue to attend school in the District without payment of tuition.
3. Any student to whom all of the following apply shall be allowed to attend school in the District without payment of tuition, for the current school year: (a) the student was a resident of the School District of Mayville on the second Friday in January of the previous school year, (b) the student was enrolled in the District continuously from the second Friday of the previous school year to the end of the school term of the previous school year, (c) the student ceased to be a resident of the District after the first Monday in February of the previous school year, and (d) the student continues to be a Wisconsin resident. If a student's individualized education program (IEP), developed or revised, requires special education or related services that are not available in the School District of Mayville or there is no space available in the appropriate special education program, the Board may transfer the student to his/her school district of residence. Decisions regarding special education and related services shall be made in accordance with state law and consistent with related provisions included in the District's full-time open enrollment policy. The District shall provide transportation to a nonresident student with a disability attending school in the District under this provision if it is required as part of his/her IEP.

If facilities are adequate, nonresident students whose parents plan to establish residence in the District may enroll if the following conditions are met: (1) the parent/guardian requests such enrollment in writing stating that residence will be established by a specific time, and (2) prepayment of a tuition fee for nine weeks is made. If residence is established within such nine weeks of school, the tuition will be refunded. If residence is not established during the first nine school weeks that the student is enrolled, there will be no refund and a prepayment for the second nine school weeks must be made in order for the student to continue attending a school within the District.

Other nonresident students may enroll in the District's schools subject to the payment of tuition fees in accordance with state and federal law requirements.

Except as otherwise required by law, parents/guardians of a nonresident student shall be responsible for providing student transportation to and from the school of assignment in the District.
