

SCHOOL DISTRICT OF MAYVILLE

423-Rule

GUIDELINES FOR DETERMINING SPACE AVAILABILITY

When determining space availability within the schools, programs, classes or grades within the School District of Mayville, consideration shall be given to current and projected class enrollment. The following class size guidelines shall be used:

1. Class size in Grades K-6 should be limited to no more than 20 students.
2. Recommended class size for Grades 7-8 is 22 students.
3. Recommended class size for Grades 9-12 is 25 students, with the following exceptions:

Industrial Technology Classes	15 students
English Composition Classes	20 students
Agriculture Lab-Oriented Classes	14 students
Agriculture Classes	20 students
Band	75 students
Chorus	75 students
Computer-Oriented Classes and Classrooms Needing a Computer Lab	22 students
Art/Painting/Drawing Classes	20 students
Art Sculpture Classes	15 students

The above recommended class size numbers were determined based on the type of activity in classes and the physical or equipment limitations.
