

**SCHOOL DISTRICT OF MAYVILLE**

**USE OF DISTRICT EQUIPMENT**

The School District of Mayville maintains equipment necessary to run the educational and operational programs within the District. It is understood that this is its first and foremost use.

There are times when this equipment may be beneficial to groups or individuals residing within the District. Under the strictest of procedures, this equipment may be loaned for a specific period of time to the organization or individual upon approval of the District Administrator. Equipment to be loaned shall be at the discretion of the District Administrator and subject to its availability.
