

**SCHOOL DISTRICT OF MAYVILLE**

751.3

**SPECIAL USE OF BUSES FOR  
EXTRACURRICULAR TRANSPORTATION**

Transportation shall be provided for students to out-of-town student activities such as debate meets, forensic contests, music festivals and such other activities as approved by the District Administrator.

Spectator bus transportation for extracurricular activities shall be subject to the following guidelines:

1. A minimum number of students, as agreed to by the District Administrator, shall be assigned per bus before a spectator bus is provided.
2. An adult chaperone shall be assigned on each bus.
3. A nominal fee, as determined by the District Administrator, shall be charged for each student to ride a spectator bus. There shall be no charge for students to be transported to school-sponsored activities within the District.
4. All students who ride a spectator bus to an activity shall return on that same bus, unless specifically excused by the building principal according to district policy.
