1. Once a collection or fund drive has been approved, it shall be conducted so as to minimize the amount of school time required and to emphasize the educational and civic values of student participation in it.
2. Any approved collection or fund drive shall be subject to review annually by the office of the District Administrator.
3. Contributions shall be made on a purely voluntary basis.
4. Containers shall be provided and the collection conducted so that amounts of individual contributions shall not be known to others.
