

MAYVILLE SCHOOL DISTRICT

2011 SUMMER SCHOOL 2011

Class Catalog

Grades: 2 & 3

*****REGISTRATION*****

Registration will be held at the Mayville Middle School Cafeteria:

Saturday, April 9, 2011

8:00 AM – Noon

Tuesday, April 12, 2011

5:00 PM – 7:00 PM

REGISTRATION

Summer School registration will be held at the Middle School Cafeteria:

- Saturday, April 9 8:00 AM – Noon
- Tuesday, April 12 5:00 PM - 7:00 PM

Forms will be dated the day they are received. Priority will be given to those who register first.

If you are unable to attend the scheduled registration dates you must register in person at the Administration Building located at 234 North John Street. Staff will be available from 8 a.m. to 4:30 p.m. from Tuesday, April 14th through Friday, April 29th.

No registrations will be accepted after April 29th

FEES

All fees are due upon registration. A \$25.00 fee per student will be charged for academic and enrichment subjects for students who reside in the Mayville School District. *Non-resident fees are doubled.*

GRADE LEVEL OF SELECTION

Students are to choose classes that are for the grade they are **now** completing (i.e. If your child just completed Grade 2, they must choose only classes that are listed for Grade 2 or Grades 2 & 3).

CLASS TIMES

Summer school classes for PK-8 are offered Monday - Friday, from **June 20st through July 15th**. (No School on July 4th)

Period 1	8:00 – 8:55	Period 2	9:00 – 9:55
Period 3	10:00 – 10:55	Period 4	11:00 – 11:55

SCHEDULING OF CLASSES

Students must be enrolled in a class in order to stay on school grounds. **If a student does not have a full schedule, they must leave the school grounds during the time period(s) they are not enrolled.** Classes will be limited to minimum/maximum number of students. Classes will be filled on a first come basis. *If a class is dropped due to lack of enrollment, you will be notified of any changes.*

ATTENDANCE/ABSENCES

Students should be in attendance for all scheduled classes. Students enrolled in summer school may not have more than **3 unexcused absences**. Excused absences consist of family vacation, illness, or other emergency as deemed excusable by the Summer School Coordinator. Please **inform** the school office by calling 387-7970 Ext. 203 between 7:30 AM – 9:00 AM. If you are aware of absences ahead of time, please have your child bring a note to the office

Summer School students are expected to adhere to all Middle School policies for proper behavior. The following consequences will result should problems arise:

- A) First offense will result in written warning sent home from Summer School Coordinator/or teacher and must be returned signed by parent the next day.
- B) Second offense will result in a conference with student, parent, teacher, school principal, and Summer School Coordinator to discuss the consequence and how behavior might be improved.
- C) Third offense will result in a conference with those above, followed by dismissal from all summer school classes for the remainder of the summer school.

Soda and food will not be allowed to be consumed in the classroom or hallways. Gum will not be allowed at any time.

BUS SERVICE

Daily Bus Service. Busses will arrive at Mayville Middle School at 7:45 AM and leave at 12:15 PM. Students choosing round trip bus transportation must enroll and attend all morning to include the total time between buses. Students may ride the bus one way if parents provide an alternate means of transportation. Check proper place on the registration forms if you desire bus service.

Reading & Writing Connections: Grade 2 (2 consecutive hours)

This class is designed for students entering third grade in the fall. Instruction will focus on fluency, comprehension, and expanding vocabulary while reading an exciting variety of books. Writing activities will correlate with what is being read and expand the student's thinking. Responding to reading in writing will channel the reader's mind to focus on specific reading skills and strategies.

Reading & Writing Connections: Grade 3 (2 consecutive hours)

This class is designed for students entering fourth grade in the fall. Instruction will focus on fluency, comprehension, and expanding vocabulary while reading an exciting variety of books. Writing activities will correlate with what is being read and expand the student's thinking. Responding to reading in writing will channel the reader's mind to focus on specific reading skills and strategies.

Math: Grade 2

Set your own goals to tackle math skills that challenge you. Decide which math skill(s) you want to improve on for third grade next year. Then, during our 4 week Summer School Program, using manipulative materials, board games, small skill group activities/instruction tackle that math challenge and track your own success. Celebrate your success with us as you develop your math skills.

Math: Grade 3

Set your own goals to tackle math skills that challenge you. Decide which math skill(s) you want to improve on for fourth grade next year. Then, during our 4 week Summer School Program, using manipulative materials, board games, small skill group activities/instruction tackle that math challenge and track your own success. Celebrate your success with us as you develop your math skills.

Around the World with Food and Fun: Grade 3

Celebrate culture by exploring heritage at Mayville Middle School and throughout the world. We will taste food from other countries and cultures, create crafts like a Chinese lantern, a Spanish piñata, and a German pinwheel.

Baseball Skills: Grade 3

This class is designed to teach the basic skills associated with the game of baseball while having fun at the same time.

Boy's Basketball: Grade 3

This course will emphasize offensive skills of shooting, ball-handling and passing. Skills taught will have a carry-over impact for future years. All students/players will have the same number of reps and teaching.

Kids Pics: Grade 2 & 3

This graphics program is designed to allow students to design their own stamps, animations, and other graphic designs.

Multi-Media Sculpture: Grade 2 & 3

Student will have the chance to work with materials to make sculptures. Some of the materials used would be model magic, paper sculpture, wood sculpture, printing, wire, soap, weaving. This will give your student a chance to work 3d instead of only painting or drawing.

Phy. Ed. Fun: Grade 2 & 3

This highly active class will keep you moving with a variety of Phy. Ed. Games and activities.

Rainforest: Grade 2 & 3

You will become aware of the value of the rain forests in today's world. You will travel to several continents and learn who lives there. Pack your bags.

Science Adventures:

Using favorite children's literature, creating "Flubber," whipping up "Silly Putty", and shrinking yourself (or at least your photo) are all simple experiments conducted in this class for second and third graders.

Sign Language: Grade 2 & 3

Do you want to learn to talk with your mouth full? In Sign Language class, you will learn how facial expressions and body language carry a message. Students will learn the manual alphabet and core vocabulary for action words, animals, colors, foods, and school language. We'll also learn how to sing the Happy Birthday song in sign. Aspects of Deaf culture and equipment used by deaf or hard of hearing people will also be presented.

Spanish: Grade: 2 & 3

Bienvenidos a la clase de español – learn beginning vocabulary in Spanish! We will learn the alphabet, colors, numbers, animals and body parts with many different activities including songs! We will break a piñata at the end of the course.

Who Says Math Can't be Fun: Grade 3

Are you looking for a challenge this summer and have fun at the same time? This is the class for you. Use your current math skills and apply those computation and thinking skills to playing math board games, dice games, card games, and Internet math related games/activities. Enjoy using your time in this class to polish and practice your math skills while you engage in math game activities with your friends.

Book Cooks: Grade 2 & 3

You will read a book and then complete various activities dealing with the story, including cooking! Cooking projects provide a highly motivating, real-life situation for learning which will enhance your reading and math skills. You will learn about foods from other countries as you participate in the literature and cooking experiences provided in this class.

Butterflies: Grade 2 & 3

Research butterflies using books, the internet, and studying real butterflies at their various stages of life. Students will put together a slide show using Power Point to present everything they've learned about butterflies.

Co-ed Basketball: Grade 2

This course will emphasize offensive skills of shooting, ball-handling and passing. Skills taught will have a carry-over impact for future years. All students/players will have the same number of reps and teaching.

Dinosaurs: Grade 2 & 3

Step back in time a million or more years ago to the wonderful world of extinct plants and animals. You will participate in activities and discussion about dinosaurs.

Fun and Games: Grade 2 & 3

This active class is designed to help you develop your motor skills and build a positive self-image toward physical activities. Activities will be performed in a non-competitive setting. **Gym shoes required.**

Game Masters: Grade 2 & 3

Students develop their knowledge of rules and strategies for playing board games. Games include Dominos, Tri-ominos, Mahjong, checkers and others.

Girl's Basketball: Grade 3

This course will emphasize offensive skills of shooting, ball-handling and passing. Skills taught will have a carry-over impact for future years. All students/players will have the same number of reps and teaching.

Harry Potter: Grade 2 & 3

Each week, we will explore a different book of the Harry Potter series through reading and projects. On the final week, we will plan and implement a game of Quidditch.

Kids in the Kitchen: Grade 2 & 3

You will learn cooking terms, and how to figure out measurements. Come discover the world of cook books. Become a master chef as you will test these new recipes.

Wrestling: Gr. 2-3

This course is designed to be a fun introduction to the sport of wrestling. Students will learn basic wrestling terms and techniques.
